2024 West Creek HS JROTC graduate Brianna Maerki (Regimental CSM), recently successfully completed the US Air Force Academy Prep school Boot Camp. Brianna is now in a leadership position for her flight and out of nine total flights, Brianna was the only female guidon bearer. Brianna was laser focused on earning entrance into the USAFA and we have no doubt that her discipline and determination will result in a successful Academy career as well as throughout her career as an US Air Force officer.
