U.S. ARMY

On 6 September 2024, COL Lightner the CMCSS Director of Army Instruction (DAI) visited West Creek HS to award two of our Cadets with the DAI Coin of Excellence. Taliyah Harrison was selected as an All American Cheerleader and will have the opportunity to perform around the country. Rachel Arnette, has been in the WCHS flight program for two years and over the summer completed her first solo flight (fixed-wing). Both Cadets continue to represent WCHS and Army JROTC at an incredibly high level and are paving the way to reaching their personal and professional goals.
