Who: LET 1s of WCHS Drill Team

What: LET 1 Drill Competition

Where: Clarksville HS

When: 9/28/2024

Why: Provide a venue for new team members to compete against those of similar experience.

On 28 September 2024, the West Creek JROTC Drill Team LET 1s went to CHS to compete for the first time. Our LET 1s secured first place in all events as well as the overall competition champions. Though the LET 1s were the only ones to compete this was a full team effort as our Varsity Drill members put in a lot of work to support, mentor and prepare the LET 1s to compete at a very high level.
