

# UNITED STATES ARMY CADET COMMAND

**Who:** Northeast High School JROTC Cadets  
**What:** Team bonding activity passing the message game  
**When:** 23 October 2024  
**Where:** Northeast High School, Clarksville, TN  
**Why:** To demonstrate how the meaning of a message can become distorted as it's passed from person to person. The game's purpose is to highlight the importance of effective communication and active listening in a team.

**Outcome:** The Cadets learned that the communication/message from the top (leadership) can get lost or distorted all the way down to the lowest level (privates, co-workers, or classmates). All communication must be clear and concise <https://sites.google.com/view/northeast-jrotc/home>
