On August 3rd Cadet Leaders supported New Student Orientation. C/LTC JadaBella Wyche spearheaded the JROTC portion of this event- by providing information to over 400 incoming students to Kirkwood High. C/LTC Wyche explained the mission of JROTC and provided summaries of our teams, community and school service projects and how JROTC supports leadership growth and development in high school students.

On August 20th the Cobra Battalion conducted its annual JROTC Meet and Greet. This event allowed Cadets and Parents the opportunity to meet with Cadet Leadership and Instructors to ask questions about the program. Following the question and answer session, Cadets and family members visited staff and team displays and participated in a variety of activities geared to help younger Cadets identify and engage members of their Cadet Chain of Command.

On August 29th the Cobra Battalion Varsity and Junior Varsity Raider Teams participated in the season opener at Kenwood High School. The Raiders utilized teamwork and leadership skills to successfully navigate a series of physical challenges. The team displayed high levels of resilience to beat the heat and successfully complete the competition.
