UNITED STATES ARMY CADET COMMAND

Who: CMCSS JROTC Cadets

What: History Field Trip

Where: Chickamauga Battlefield, Ft. Oglethorpe, GA

When: 10/9/26

Why: Learn our nations history, identify lessons learned, teach their peers

U.S. ARMY

On 9 October 2026, 40 Cadets from CMCSS JROTC programs continued their study of leadership in American Military History. For this event, the classroom moved to the actual battlefield, specifically the Chickamauga and Chattanooga National Military Park in northwestern Georgia. A team of Cadets from each CMCSS JROTC program spent the last couple of months studying the battle and preparing to teach peers about it while identifying lessons learned from history. The history field trip program is supported by the CMCSS Director of Army Instruction and includes visits to many of the battlefields in and near Tennessee (Chickamauga, Shiloh, Stones River, Fort Donelson).
