**Reports**

**Goal 3 – Broaden choice in academic offerings to align with ready-graduate initiatives** was presented by Dr. Mason Bellamy, Elementary Level Director, and Dr. Jean Luna, High School Level Director. Dr. Bellamy discussed two offerings at the elementary level. First, the Spanish Immersion program at Barksdale in which 85 students K – 1 in four classrooms are enrolled. The second offering for choice is the STEM program at Moore Magnet designed to enhance science and math curriculum grades K – 5. Over 150 applications were received and 75 students were accepted.

Dr. Luna explained the strategic work of the middle and high schools. This work entails the Academies, Korean/Japanese languages, TCAT, Work Ethic Distinction, Industry Certifications and workforce opportunities, AP/Dual enrollment courses, CTE/JROTC, and AVID. Dr. Luna reiterated the Ready Graduate requirements illustrating the combination of credits necessary to be confirmed as college and career ready. Next steps will be to expand community partnerships, increase postsecondary relationships, seek additional Industry Certifications, and explore grant opportunities with GIVE initiative.

**Reports (continued)**

**State Education Committee**

Mr. House summarized the report he recently submitted to the Education Committee of the Tennessee House of Representative in early August. Focal points in the report included our CMCSS mission, vision, strategic work and other options provided our students such as traditional educational pathways, academies, Middle College, and TCAT. **Comments**

**Ft. Campbell Liaison**

Pauline Hutchinson introduced the newest member of the Ft. Campbell Liaison team, Melissa Silvers. Ms. Hutchinson stated their immediate goal is to rebuild the partnership with CMCSS and to offer assistance wherever needed.

**Board Members**

Mr. Garland shared he had received a call from Rep. Jason Hodges after the Education Committee presentation by Mr. House asking that he relay to the CMCSS staff and community the committee was very impressed with the leadership, vision and direction the district is heading. Mr. Garland stated the legislators are contemplating adopting some of the practices and procedures currently being applied within CMCSS.

**Director's Comments**

Mr. House reported that the first half day of school last week had an extremely smooth instructional start and he thanked the staff and community for their support in making this happen.

Early preliminary data is beginning to trickle in from the State and Mr. House commented the district is anticipating the overall standards-based data soon so that the planning, development and opportunities to improve our schools may be continued.

To date, the number of students enrolled is approximately 1,200 more than this time last year. Mr. House explained that traditionally the 40-day mark will set the trend. The district is preparing for unprecedented numbers this school year. Middle schools are at an uncomfortable overall capacity of 103% and Operations is keeping a close watch and strategically planning the placement of portables. In addition, HR is proactively looking at the need to shift teachers and is working on the timing of this process to do it in the most efficient manner possible.

In closing, Mr. House thanked Mr. Garland for the invitation to the 8<sup>th</sup> Annual Emancipation celebration the previous weekend at Kenwood High. The purpose of this organization is to preserve and collect historical facts pertaining to African Americans in the Clarksville community.

Items on the agenda having been completed, Board Chair Margaret Pace adjourned the meeting at 6:45 p.m.
