

CONTINUOUS IMPROVEMENT ACTION PROCEDURE (CIS-P012)

Clarksville-Montgomery County School System

1.0 SCOPE:

- 1.1 This procedure outlines the process for managing a recommendation for improvement, correction, preventive action or corrective action.

The online version of this procedure is official. Therefore, all printed versions of this document are unofficial copies.

2.0 RESPONSIBILITY:

- 2.1 Director of Continuous Improvement
2.2 Senior Leadership Team

3.0 APPROVAL AUTHORITY:

- 3.1 Director of Schools
3.2 Chief Communications Officer

4.0 DEFINITIONS:

- 4.1 CIS: Continuous Improvement System
- 4.2 CIT: Continuous Improvement Team
- 4.3 Corrective Action: Action to eliminate the cause of a detected non-conformity or other undesirable situation.
- 4.4 Layer 1: The first layer of the continuous improvement system. Involves internal tracking by departments as they work their action plans, district tracking and trending, internal auditing, and state and district data. These inputs are regularly reviewed and discussed by district teams to determine if there are nonconformities or areas that need to be improved. Issues are either resolved by departments or escalated to the second layer.
- 4.5 Layer 2: The second layer of the continuous improvement system. Involves taking a nonconformity identified at Layer 1 that cannot easily be improved at the department level and determining the root cause of the issue through deeper process audits or working groups.
- 4.6 Layer 3: The third layer of the continuous improvement system. Involves taking a nonconformity identified at either Layer 1 or Layer 2 where the root of the issue is not clear, or it will require the work of several departments in collaboration to determine the best solutions to be applied as corrective actions.
- 4.7 Nonconformance: Non-fulfillment of a requirement.
- 4.8 Preventive Action (PA): Action to eliminate the cause of **potential** nonconformance in order to prevent their occurrence, or evaluating patterns/trends through corrective actions and taking steps to prevent their reoccurrence.
