document are unofficial copies.

CONSTRUCTION PROJECT INSURANCE PROGRAM POLICY

Clarksville-Montgomery County School System requires contractors to have liability insurance and workers' compensation. The Board attorney will be consulted for recommendations regarding proper insurance coverage when large contracts, contracts requiring work on school premises, or construction projects are involved, according to Tennessee Code Annotated.

The performance bond is used to insure performance of contracts in the time and manner prescribed and to save, indemnify, and keep harmless the school system against loss.

In cases of large bids or construction contracts, 100 percent performance bonds are required.

Implementing Procedures: General Bid Requirements ([PUR-G001](#))

Revision History:
