

Additional Documents for Entering High School Students

In addition to all other registration documents, high school students must provide the following, if applicable:

- National assessment results on official documents (ACT, SAT, etc.)
- AP assessment results on AP documentation
- CLEP results on CLEP report
- ASVAB AFQT results on ASVAB report
- Dual enrollment/credit results, to include the instruction name and enrollment dates or dual enrollment transcript from the university
- CTE/Industry certifications
