

2021-22 Student Face Mask Opt-Out Form

On Tuesday, September 14, 2021, the CMCSS School Board established a face mask requirement for students and employees indoors in CMCSS facilities when physical distancing is not possible. This requirement will be effective Monday, September 20, 2021, and will be revisited by the School Board at each monthly Formal School Board Meeting through January 11, 2022, when the requirement is set to expire. Parent(s)/guardian(s) can opt their child out of this requirement.

By completing this form, you are giving permission for your student to **not wear a face mask** while at school. A separate form must be completed for each student you are giving permission.

This opt-out will be on file through the remainder of the school year and will be in effect for the entirety of the face mask requirement. If at any time you would like to update this permission to allow your child to wear a face covering, please contact your child's school.
