

Allergy Notification Letter (HEA-F125)

Date:

Dear Parent/Guardian:

This letter is to inform you that a student(s) in your child's classroom has severe food allergies to: _____ . Exposure to these allergens could cause a life-threatening reaction.

It is our goal to ensure that every student in our school is safe. Our District has adopted a policy for managing students with food allergies. Our policy follows Tennessee Code Title 49, Education § 49-50-1602 and meets the guidelines created by the Tennessee State Board of Education and the Tennessee Department of Public Health.

Because these students cannot be in contact with foods containing this/these allergen(s), we are requesting that you not send these foods to school for snacks or treats in the classroom. Even trace amounts of these allergens could result in a severe allergic reaction. Sometimes these elements may be hidden in processed foods.

Please discuss the following with your child:

- Do not offer, share, or exchange any foods with other students at school.
- Hand washing with soap and water, after eating, is necessary to decrease the chance of cross-contamination on surfaces at school.
- If your child rides the bus, remind them that there is a "no eating on the bus" policy.

Thank you for your consideration and help in this matter. Please call if you have any questions or concerns.

Sincerely,

School Nurse
