ADMINISTRATIVE POLICY

The online version of this policy is official. Therefore, all printed versions of this document are unofficial copies.

**LEAVE FOR ADVANCE EDUCATIONAL STUDY**

It is the policy of the Clarksville-Montgomery County School System (CMCSS) to provide eligible employees the opportunity for a leave of absence for advance educational study for professional improvement when the employee is 1) Gaining endorsement in the subject area desired by the District, 2) Renewing teaching certificate, or 3) Earning a degree which will allow qualification for a district position.

Educational leave requires the approval of the requesting employee’s supervisor and the Chief Human Resources Officer or Human Resources Coordinator (Completion of HUM-F015 & HUM-F016). Ordinarily the leave will be for one school year, but may be for a longer period of time upon recommendation of the Chief Human Resources Officer or Human Resources Coordinator.

Educational leave is unpaid. However, the employee must substitute any paid vacation, personal leave, or comp time in place of the educational leave until the earned or accrued leave has been fully used. Accordingly, the paid leave and the educational leave will run concurrently.

Positions vacated for up to twelve (12) months by employees on leave are filled with an interim employee for such time as the employee is on leave. Employees returning within the twelve (12) months will retain their original position, which will be relinquished by the interim employee. If the leave exceeds twelve (12) months, the employee is placed in the same or a comparable position upon return from leave.

Personnel on leave for a definite period of time must notify the Chief Human Resources Officer or Human Resources Coordinator and his/her supervisor of their desire to return by March 1 of the school year in which the leave terminates. Individuals on an approved leave for advanced educational study may be granted a one-time request for an extension of up to twelve (12) months.

CMCSS is not obligated to grant the return to the system to persons on leave for advanced educational study if they have failed to:

Fulfill the apparent intent for which leave was granted, or

Earn less than 9 semester hours during which leave was granted.

If a reduction in force is necessary, the fact that an employee is on extended leave is not considered in determining if the employee is retained.

Implementing Procedures: None.
