ADMINISTRATIVE POLICY

The online version of this policy is official.
Therefore, all printed versions of this
document are unofficial copies.

OTHER LEAVES OF ABSENCE

It is the policy of the Clarksville-Montgomery County School System to allow employees to take official leaves of absence without pay, provided the reasons for such leave are acceptable and reasonable and do not cause an undue hardship in the workplace. Employees are required to use applicable leave to avoid leave of absence without pay and whenever possible, plan accordingly based upon school calendar. Requests should be submitted thirty (30) days in advance.

The terms and conditions of Leave of Absence will be determined on a case-by-case basis, and established at the time the leave is granted. The terms and conditions of a leave of absence will be documented prior to the beginning of the leave. The employee may continue health care coverage, but is required to pay the full cost of premiums, while on leave of absence. The school district reserves the right to grant or deny a leave of absence at its sole discretion.

Positions vacated for less than twelve (12) months by employees on leave will be filled with an interim employee for such time as the employee is on leave. Upon return of said employee within the twelve (12) months, the interim employee will relinquish the position and the employee can return thereto. If the leave exceeds twelve (12) months, the employee is placed in the same or a comparable position upon return from leave. A leave may exceed twelve (12) months in certain circumstances on an individual basis as per the Americans with Disability Act (ADA).

The following are considered valid reasons for a leave of absence and can be requested through the supervisor:

- Transaction of legal business when it cannot be done at another time outside of the school day;
- Funerals, other than those provided for under other related leave provisions;
- Absence due to damage or serious and immediate threat of damage to the employee's residence resulting from fire, flood, storm or other uncontrollable conditions;
- Unforeseen or inadvertent circumstances beyond the control of the employee, such as weather, traffic delays, or accident, which cause the loss of a work day - provided the employee has taken reasonable action to get to work and to notify the immediate supervisor of emergency conditions;
- Religious holidays that are not otherwise noted as paid holidays;
- "Once in a lifetime event" such as: weddings, graduation, etc. may be considered.

The following are considered invalid reasons for a leave of absence and will not be approved:

- Leave used for monetary gain or working for an outside source for a fee; with the exception of an elected official.
- Recreational, social, and shopping activities;
- Religious activities, other than religious holidays;
- Interviewing or applying for other employment.
