### EXTRA CURRICULAR SUPPLEMENTS

To ensure the integrity of each athletic team, a person cannot be hired for more than one athletic supplemental position in the same sport and/or season (fall, winter, spring). An exception to this would be a high school assistant coach could serve as a middle school coach in the same sport. The only other exceptions to this policy are those already specified in the Memorandum of Understanding.

It is permissible for a coach that is already receiving a supplement in a sport, to volunteer their time to another team in the same sport and/or season provided they are not compensated in any form.
