End of Year Assessments

For students in grades 3-8, the end of year assessments in Language Arts, Math, Science and Social Studies will be calculated as 15% of the second semester grade.

Effective April 17, 2015 in alignment with HB 36 – SB 285 Amendment (005744), Clarksville Montgomery County School System will not include students’ state assessment scores in their final spring semester grades if the state assessment scores are not received by the district at least five instructional days before the end of the academic year.

High School Courses without an end of course exam

Average is calculated with each 9 weeks 40% and the semester exam 20%. When a student is exempt from 2nd semester exam, the average is calculated with each 9 week grade 50%. Students are exempt if they earned an A for N3 and an A for N4 in a year-long course.

High School Courses with an end of course exam

First semester average is calculated with each 9 weeks 40% and the semester exam 20% • Second semester average is calculated with each 9 week grade 35%, end of course exam 15%, the semester exam 15%. When student is exempt from 2nd semester exam, count each 9 weeks 40% and the end of course exam is 20%. Students enrolled in high school courses with End of Course examinations may not withdraw from such courses for the remainder of the course after being enrolled in the course for at least twenty-five percent (25%) of the instructional days in the course.

Effective April 17, 2015 in alignment with HB 36 – SB 285 Amendment (005744), Clarksville Montgomery County School System will not include students' state assessment scores in their final spring semester grades if the state assessment scores are not received by the district at least five instructional days before the end of the academic year.

Advanced Placement (AP)

Students must complete the AP assessment to receive additional 5 points on grades used to calculate the semester average.

Semester Examinations

Semester examinations will be administered each semester for all students taking high school courses. Semester Examination exemptions: A student will be exempt from a second semester course examination provided the student has an A for each 9 week grading period during the second semester and the course is a full year class.

Incoming Transfer Records

- Students transferring from an accredited school
 - Students entering a district high school during a semester, who have been previously enrolled in an accredited school, shall be graded on the basis of their transfer in-progress grade and their performance in CMCSS for the remainder of the semester.
 - Students that were not previously enrolled in school shall declare at the time of enrollment if they will participate in the class on an audit or credit basis. If choosing a credit basis, students will be responsible for completing semester work provided by teacher. Grades will be assigned based upon the declared intention at the time of enrollment.
 - CMCSS will make every effort to accommodate those student transferring from a different school structure. Students transferring from one schedule structure to another (block, non-block, trimesters, etc.) will be allowed to complete benchmarks or teacher assessments to determine placement and credit.
 - Students transferring with completed credits from an accredited school will have all credits transferred to the CMCSS school.
- Students transferring from a non-accredited school
 - Students entering a district high school from a non-accredited school will complete a district benchmark or teacher assessment to determine credits that will be added to the CMCSS transcript. State law requires the completion of certain courses at an accredited school.
- Students transferring from a foreign country
 - Transcripts from foreign countries will be evaluated by a district committee for placement. Foreign students who have a diploma from their own country shall not be a candidate for a diploma from CMCSS.
- Foreign Exchange Students
 - All foreign exchange students will be enrolled as juniors at the high school level and are not eligible to earn a diploma.

Grade Conversion

For grades earned in the 2022-2023 school year and beyond, It is the intent of the district to attain the numerical grade from a sending school or post-secondary institution. When the numerical grade is not provided, the following scale will be used to convert the letter grade that is provided:

A+ = 98	B+ = 88	C+ = 78	D+ = 68	F = 55
A = 95	B = 85	C = 75	D = 65	
A- = 92	B- = 82	C- = 72	D- = 62	

For grades earned prior to the 2022-2023 school year, It is the intent of the district to attain the numerical grade from a sending school or post-secondary institution. When the numerical grade is not provided, the following scale will be used to convert the letter grade that is provided:

A+ = 98	B+ = 91	C+ = 83	D+ = 74	F = 65
A = 95	B = 88	C = 80	D = 72	
A- = 93	B- = 85	C- = 76	D- = 70	

Credit Recovery

Students may complete credit recovery to earn credit for graduation requirements courses. The original failing grade will not be included in the HOPE scholarship calculation. It will be listed on the transcript. Credit recovery courses receive a grade of a 60.
