CLASS RANKINGS

Clarksville-Montgomery County School System class ranking is based on the cumulative percent average and the type of projected diploma in the following order: Highest honors, honors, regular, alternate academic diploma, occupational, and special education.

Class ranking is determined after the first semester of the student's fourth year in high school. For the purposes of senior ranking and diploma types for Honors or Highest Honors qualified students, ACT benchmark scores must be received by the school prior to the end of Semester 1 for the ranking process and prior to the final day of regularly scheduled classes for the final diploma type. Students should plan accordingly to take the ACT well in advance so the school receives scores in a timely manner.
