HIGH SCHOOL VOLUNTEER HOURS RECOGNITION

Tennessee State Board of Education High School Policy 2.103 denotes local boards of education have a high school volunteer hours recognition policy in place.

Volunteer hours for the purpose of recognition at graduation are defined as community service initiated and completed by students independent of those required by school clubs or organizations of which the student is a member.

Volunteer hours are to be completed while the student is enrolled in a Tennessee public school.

Students are required to complete ten (10) volunteer hours per semester, twenty (20) hours per year for four years, to qualify for the award. No more than twenty (20) hours per year may be submitted for the award.
