

Authorized Student Expenditures* <u>Grade K-8</u> <u>2017-2018</u>

In compliance with Section 49-2-110 Tennessee Code Annotated, the Clarksville-Montgomery County Board of Education has authorized the collection of funds by the elementary and middle schools to be used for instructional materials and personal student supplies beyond those provided in the budget. These fees aren't required as a condition to attend school, but do support the materials and activities that teachers provide in the classroom. Student fees are collected each year to address program needs within schools. Some of the areas student fees support are supplies for art, science labs, band/music, and other related arts.

Change: In the past, schools have sent a student fee sheet home with the itemized areas and the specific fee for each area. In an effort to become more efficient and streamline payment for parents, we are requesting one fee of \$25 to cover these areas in elementary and middle schools.

School	Date
<u>Items</u>	<u>Current Year Cost</u>
Class Fees	\$25.00
Educational Field Trips	Depends on trip
If sending payment with your student: please place your check or cash in an envelope, mark it with your child's name, teacher's name, amount, and "School Fees".	
TEACHER NOTES:	

NOTIFICATION: YOU MAY BE ELIGIBLE FOR A WAIVER OF THESE FEES

*Process to apply for a waiver of student fees:

- 1. Complete an application for Free and Reduced Price Lunches
- 2. Request a Waiver of School Fees
- 3. Submit all forms to building Principal
- 4. Notice of approval or disapproval will be provided by the building principal. Effective date is the date of principal's signature.
