

CMCSS K-12 Virtual

Parent/Guardian Commitment Letter for the 2021-2022 School Year (INS-F149)

Student's Name _____

As a parent, I agree that my commitment and support to my child's educational development is important and I agree to follow the terms below to the best of my ability:

- I agree to abide by and support my child in following the policies outlined in the CMCSS K-12 Virtual Student-Parent Handbook.
- I agree to ensure my child has an active Learning Mentor (LM) who will complete LM training before the start of the school year and will actively support my student throughout the year.
- I will encourage and support daily attendance and active engagement in learning by ensuring my child attends live sessions regularly with limited tardies or absences.
- I am committed to CMCSS K-12 Virtual and understand that the commitment is for the entire 2021-2022 school year.

CMCSS K-12 Virtual teachers and staff are committed to providing a unique and innovative learning experience by:

- Delivering high-quality and engaging instruction to ensure academic achievement for all students.
- Providing support for parents and learning mentors in the learning process to ensure student achievement.

I am requesting that my child be accepted into CMCSS K-12 Virtual for the 2021-2022 school year. I understand that my child will receive virtual academic instruction through a blend of synchronous and asynchronous sessions. I understand that if my child's attendance or behavior consistently does not align with the expectations set forth, his/her continuation in the program could be terminated.

Parent/Guardian Signature _____ Date _____

Parent/Guardian Signature _____ Date _____

Your signature will serve as confirmation of your commitment and full support to the program. In addition to the agreement of this commitment letter, you will need to complete the registration process if your child is not a currently enrolled CMCSS student.
