Lead Prevention Policy

It is the policy of the Clarksville-Montgomery County School System (CMCSS) to comply with T.C.A. § 49-2-133, Water Contamination Bill. CMCSS will conduct lead testing in all school facilities initially. After initial testing has been completed, only schools constructed prior to January 1, 1998 will be tested once every two years (a list of these facilities is included below), in accordance with this policy. CMCSS will comply with all stated regulations if any school facility tests positive for lead.
