

Clarksville-Montgomery County School System  
Professional Learning Activities Network  
Participant Roster for:

## **School Improvement Plan (SIPS)/ Accreditation School Participant Summary**

**Credits Allowed:** Per In-service Requirements Procedure (PRD-P001) Section 7.12: Teachers who serve on a School Improvement Plan/Accreditation Committee may earn up to 3 hours of in-service credit based on the school's submission status. The school chairperson may earn up to 6 hours of in-service. The school principal must approve this credit.

**Instructions:** Participation logs/appropriate supporting documentation must be maintained at the building level, and the summary of hours must be submitted to Professional Learning by April 15th of the school year in order to receive in-service credit. Professional Learning will issue credit.
