Clarksville-Montgomery County School System
Professional Learning Activities Network
Participant Roster for:

Support-Team School Participant Summary

Credits Allowed: Per In-service Requirements Procedure (PRD-P001) Section 7.8:
Support Team members may receive up to 12 hours of in-service credit. The building principal
must approve this credit.

Instructions: Participation logs/appropriate supporting documentation must be maintained at
the building level with the summary of hours submitted to Professional Learning by April 15th of
the school year in order to receive in-service credit. Professional Learning will issue credit.
