ADMINISTRATIVE POLICY

The online version of this policy is official.
Therefore, all printed versions of this document are unofficial copies.

RADON MONITORING

It is the policy of the Clarksville-Montgomery County School System to conduct radon gas monitoring in student occupied buildings.

All schools will be tested within one year of completed construction. The tests are conducted at a rate of 10 tests per school dispersed throughout the building.

Implementing Procedures: SAF-P010 Radon Testing

Revision History:

<u>Date:</u>	<u>Rev.</u>	<u>Description of Revision:</u>
7/18/11		Initial Release
2/3/14	A	Delete sentence "The testing will be conducted during Fall and Spring Break as follows:"; update logo and formatting
3/3/15		Reviewed, no changes
2/5/16	B	Removed second paragraph. Clarified testing frequency, para 3. Removed annual basis statement. Changed from OPS-A005 to SAF-A011.
9/5/17	C	Schools no longer tested every five years. Testing will occur within one year after any new construction.
