## Clarksville-Montgomery County School System Open Enrollment Request Application 2025-2026

### Open Enrollment Guidelines

#### I. CMCSS OPEN ENROLLMENT POLICY

A. CMCSS Open Enrollment Policy

The Clarksville-Montgomery County School System (CMCSS) believes in meeting the needs of students with a focus on student achievement. The Clarksville-Montgomery County School System also believes parent involvement and being a partner in student achievement is critical to a student's success. The Clarksville-Montgomery County School System has developed a limited open enrollment policy for students who wish to attend a school or program outside the area for which they are zoned.

B. Attendance Zone Exceptions

Attendance zone exceptions shall be limited by space including program space availability in the receiving school. Ethnicity, gender, grade level balances will be considered. School and program capacity will be utilized to determine if space is available for additional students.

C. Program Capacity

One or more of the following factors determine program capacity: program enrollment, classroom availability, other programs housed within the school facility, and demographic considerations. The Director of Schools will designate a central administrator to determine the school/program capacity on an annual basis.

D. Transportation

CMCSS will not be able to provide transportation to a school outside the regular attendance zone.

E. Extracurricular Activity Involvement

Students approved to attend a school outside of their attendance zone shall have the same curricular and extracurricular status (review varsity sports participation) as other students attending the school. **Varsity Sport Participation** – Students who plan to or have participated in athletics in the zoned or non-zoned school should review the TSSAA rules regarding transfers ([www.tssaa.org](http://www.tssaa.org)). Certain transfers will lead to a student being ineligible to play at the varsity level.

F. Student Conduct

A student's behavior will be considered when determining a student's enrollment in a school outside their attendance zone. **\*Open Enrollment may be revoked due to excessive tardies, absenteeism, misconduct, excessive early dismissals, or poor academic performance.**

G. Time Commitment

The parent or legal guardian must make a commitment that the student will attend the non-zoned school for the complete school year and obey all school policies, regulations, and procedures.

H. Preventing or Recruiting Open Enrollment Students

CMCSS will take no action to prohibit or prevent application by its students to attend a non-zoned school within the school district. CMCSS employees shall not recruit students outside of their school zone.

## Clarksville-Montgomery County School System Open Enrollment Request Application 2025-2026

### II. APPLICATION SUBMITTAL PROCESS

If you are interested in having your child attend one of the schools listed for open enrollment outside your zoned area, applications are available at any elementary, middle, and high school in CMCSS, on the web site (cmcss.net) and at the Central Administration Office. **Applications will be accepted from January 15, 2025 through February 14, 2025. The applications must be submitted to the CMCSS Director of Student Services located at 430 Greenwood Ave. Clarksville, TN 37040. Transportation to the school outside your child's zoned area will not be provided by CMCSS. This process is only open to residents of Montgomery County.**

Eligible applicants at each grade level will be placed at their requested non-zoned school provided the school has available capacity. If there are more applicants than the school capacity availability, applicants will be selected by a lottery drawing.

### III. APPROVAL PROCESS

Applications will be considered based on the factors stated in the CMCSS Board Attendance Zone Exceptions and Program Capacity policy.

Students who were accepted on open enrollment the previous year, do not need to apply again. Siblings will be given preference for enrolling in the non-zoned school where their brother or sister is attending, provided there is program capacity.

The CMCSS Director of Student Services will adhere to the timeline as stated below to ensure the approval process is completed within the designated timeframe.

1. Director's Designee determines school program capacity – January 2025.
2. Applications submitted – January 15, 2025 – February 14, 2025.
3. CMCSS Director of Student Services reviews applications for accuracy – February 2025- March 2025
4. Committee reviews applications – April 2025.
5. Decision to approve or deny applications – April 2025.
6. Confirmation of parent and student commitment to enrollment in non-zoned school – April 2025.

**NOTE:** The District reserves the right to remove or refuse a student enrollment due to false or misleading information on the application.

**\*Open Enrollment may be revoked due to excessive tardies, absenteeism, misconduct, excessive early dismissals, or poor academic performance.**

**\*For High School students, parents/guardians and students will need to consult with a school counselor to ensure the open enrollment transfer would not affect a student's graduation track.**
