

Written Consent to Informal Resolution Process (STS-F041)

I am aware of the pending formal complaint of sexual harassment to which I am a party, and I have been informed that I may participate in an informal resolution process in an attempt to resolve this matter.

I acknowledge that I have been given written notice of the allegations contained in the formal complaint.

I understand that at any time prior to agreeing to an informal final resolution, I have the right to withdraw from the informal resolution process and resume the investigative and grievance process with respect to the formal complaint.

I understand that any results from the informal resolution process will be documented and maintained as records related to students.

I voluntarily consent to participate in the informal resolution process.
