### Substitute Questionnaire

1. What experience do you have, if any, working with students? Please include the age/grade level.
  
2. Where did you hear about this position?
  
3. What motivated you to become a substitute teacher with CMCSS?
  
4. How would you handle a student that doesn't follow the rules?
  
5. As a substitute, what responsibilities do you feel you have to the students, teacher, and building?
  
6. Professionalism is the number one complaint from teachers and students. What is professionalism as it relates to being a substitute teacher?
  
7. What are your concerns about substitute teaching?
