SCHOOL BUS MAINTENANCE POLICY

Clarksville-Montgomery County School System requires all buses used in transporting students to be inspected and serviced on the following schedule:

1. All school buses will be inspected for cleanliness and safety daily by the bus driver before the bus is operated on a public roadway. This inspection will follow the Daily Bus Inspection (DBI) checklist. This inspection is noted on the DBI form and turned in to the lead driver on each Monday following payday.
2. All school buses will be serviced at each 7,500 mile interval, this service will include as a minimum changing oil, fuel and air filters.
3. All school buses will be inspected for cleanliness before the bus is turned in at the end of each school year.
4. All school buses will receive a complete preventive maintenance scheduled service each 15,000 mile interval throughout the length of the life cycle of the school bus.
