**ADMINISTRATIVE POLICY**

The online version of this policy is official.  
Therefore, all printed versions of this document are unofficial copies.

**EXTRA-CURRICULAR ACTIVITIES TRANSPORTATION**

The policy of the Clarksville-Montgomery County School System states that students who are authorized CMCSS transportation will be transported to and from school and extra-curricular activities in CMCSS vehicles. It is not the intent of this policy to prevent parents from providing transportation of their student. It is a violation of this policy for school system employees to transport CMCSS students using their personal vehicles.

Emergency exceptions to this policy require the approval of the School System Coordinator, or the student's Principal, or a member of the Senior Leadership Team. During an emergency, school's employees can transport students in a personal vehicle; however, verbal approval from parents is recommended but understandably may not be possible before the student is transported.

Implementing Procedures: None at this time.
