**Verification of Employee Training for  
Digital/Electronic Devices Acknowledgement  
(Distracted driving and the use of digital/electronic devices)**

I hereby certify that I have received, read, and understand the Digital/Electronic Device Policy of CMCSS (OPS-A006). I also understand the intent of this policy which is to ensure that I never do anything that could distract me from safely operating the school bus or supervising students. I understand that the use of any digital/electronic device while operating a school bus, or while loading or unloading students at school, home, or on field trips, is a violation of state law. I understand that the use of any digital/electronic device while operating a CMCSS school bus will result in an investigation and if found valid, I will be subject to disciplinary action up to and including immediate termination of employment.

All portable electronic devices should be placed in a location which restricts the use of the device while operating a CMCSS vehicle.

Finally, I understand I could permanently lose my "P" and "S" endorsements to my CDL if I use a digital/electronic device while operating a CMCSS school bus.
