

**ALLOWABLE MAXIMUM SPEED
(VHM-A001)**

Clarksville-Montgomery County School System

ADMINISTRATIVE POLICY

The online version of this policy is official. Therefore, all printed versions of this document are unofficial copies.

ALLOWABLE MAXIMUM SPEED

Employees operating CMCSS vehicles are required to operate the vehicle according to the posted speed limit. All school buses with electronic controls have the vehicle’s maximum accelerator speed electronically set at 68 miles per hour and maximum cruise control speed electronically set at 70 miles per hour. School buses will obey the posted “truck” speed limit.

Implementing Procedures: None
